If you want to learn more about history in your area,
Our unique cultural heritage is the future. We can use this knowledge to take care of the land and maintain it. Our land is Northern New Mexico. You can read a book about something but only because they respect the land. They know the land as a family. They know what the land has to offer.

The land is Northern New Mexico. Our culture, our education should come from the land. You will grow up on the land. The more you learn about the land, the more you respect the land. Some people are very lucky.

When you know your history of the land, you learn how to manage the land. You learn how to respect the land. Some people are very lucky.

Do you remember the land? The land is Northern New Mexico. You can read a book about something but only because they respect the land. They know the land as a family. They know what the land has to offer.
